

Advisory Board Plans for Mental-Health Library at Clinic

In response to requests at the San Pedro State Mental Hygiene Clinic for reading material on mental health, the Advisory Board recently instituted plans for a mental-health library at the clinic, according to Mrs. Reuben Jimenez, chairman.

The clinic serves South Bay and Harbor communities upon voluntary request through individual and group therapy, and consultation and education serv-

ices to community agencies and schools. Located at 731 S. Beacon St., San Pedro, the clinic staff consists of Dr. Peter J. Guzovich, psychiatrist in charge, Daisy Spiegel, full time psychiatric social worker, Robert Wilson, half-time supervising psychiatric social worker, and Dr. Leonard A. Cole, part time psychologist.

Dr. Cole as the most recent addition to the staff in June, is certified by the California Board of Medical Examiners and a member of the American Psychological Association. Originally from Minnesota, Dr. Cole received his bachelor-of-arts degree from the University of Minnesota, and his doctorate from the University of Denver.

Previous positions held by Dr. Cole were as psychologist at Los Angeles County Juvenile Hall and the Metropolitan State Hospital

in Norwalk. He has taught psychology at USC and the University of Denver. In addition to his position at the clinic he is engaged in part-time private practice.

Future Advisory Board activities include discussions on mental health needs and resources of our community. Advisory Board members representing communities served by the clinic are Chairman Mrs. Jimenez of

Manhattan Beach; Mrs. R. K. Donelson, the Rev. Augustine O'Gorman and Dr. Margaret Ann Storken of Redondo Beach; the Rev. Richard Parker of Hermosa Beach; Mr. Ray Choate, William MacDonald of Wilmington; Mrs. Milton Feinberg and Dr. Wing Y. Mar of Torrance; Dr. David H. Dingilian of Rolling Hills; and Mrs. A. C. Akerson, Mrs. C. B. Walsworth, Dr. Robert A. Richards, and Dr. Peter Guzovich of San Pedro.

BALLOONING MEMBERSHIP is the goal of the PTA at Perry Elementary School, 17831 Prairie Ave. Robert Allen, principal, and Nancy Dickson, fourth grade student, look on as Edward Murawski, men's membership chairman, points out the balloons which will chart the progress of drive, beginning today. The PTA group is eager to gain father members.
